TO: PRG Prototyping

FROM: Dr. Clifton Wilcox

SUBJECT: Reference

I take great pleasure in recommending the PRG Prototyping group. The PRG organization exceeded all of my expectations. I worked with PRG to design and develop a concept that over a few short months became reality. The PRG organization is very responsive, diligent and affordable. Those that want to develop and launch a new product should consider PRG Prototyping as a valuable strategic partner.

Sincerely,

A handwritten signature in black ink, consisting of several loops and a long horizontal stroke extending to the right.
